

# Enjoy

## *The Moment*

"From paradisiacal beaches to vibrant cities, our tours take you to the most exciting destinations in the world."

# Samaná

Samaná (Santa Bárbara de Samaná) is a city on the Samaná peninsula, in the Dominican Republic. It has a viewpoint towards Samaná Bay, which is home to thousands of humpback whales during the mating season, which occurs in winter. The main attraction of the Whale Museum is a large skeleton of a whale.

ALTOS DE CHAVÓN

TOUR & TRAVEL

# Let's Explore *the World!*

---

Altos de Chavón is an ancient Mediterranean-type villa built on a height above the Chavón River, in La Romana, Dominican Republic. It is home to a Cultural Center, the National Archaeological Museum, and the so-called City of Artists. It also has a Notable Amphitheater.
